Study MBBS Abroad

# ABOUT OUR FOUNDER

Dr Nikesh Ranjan, the Founder of Nix Group is an MBBS graduate by profession. He is well versed and knows the system of how middle class and underprivileged students cannot fulfil their dream of becoming doctors because of several reasons, be it high competition in the NEET, financial burden to pay the medical school fees or being cheated by educational consultancies.

Over the years, Dr Nikesh Ranjan introduced various companies under the Nix Group and presented Nix Study Abroad in 2016. A transparent and direct way to fulfil the dream of becoming a doctor, because of our direct link with local government, universities and our own representative offices across the globe. We provide end to end service, showcase the correct fee structure, give unmatched services and take total care till the student complete their education and return home.

## WHO ARE WE?

We are an overseas education consultant with headquarter in Delhi and representative offices in Russia, Ukraine, Kazakhstan and other countries which we represent.

### What can we do for you?

We provide end-to-end education solutions to students and deliver world-class universities suitable to your budget. We give seamless services in visa for education and travel assistance onward your first abroad journey.

But what we mainly specialise is in helping in the admission process for undergraduate and postgraduate students.

# Nixtour

## CHARTERS

We are the only company to work together with Indian Embassy Moscow, Kiev, Bishkek, Astana and MEA to facilitate Evacuation Charters

# RUSSIA FEE STRUCTURE

# NORTHERN STATE MEDICAL UNIVERSITY

The Northern State Medical University (NSMU) Russia also known as Severnyy Gosudarstvennyy Meditsinskiy Universitet is one of the prime medical universities in Russia. This university is located in the former seaport Arkhangelsk along the Northern Dvina River. What attracts students to study MBBS at Northern State Medical University is their affordable fee structure and systematic education pattern.

The university is managed by the top education and health bodies like the World Health Organization (WHO), the Medical Council of India (MCI) and the Educational Commission for Foreign Medical Graduates (ECFMG – USA). This fact makes studying MBBS in Russia at NSMU a great choice

# ORENBURG STATE MEDICAL UNIVERSITY

MBBS in Russia on your mind? Then plan your MBBS at Orenburg State Medical University (OSMU) Russia. It is one of the best medical universities in Russia. Located in the Orenburg city . From the year of its establishment in 1944, OSMU has introduced many medical subjects, there are over 54 subjects scattered across 47 departments. Owing to its wide range of subjects, this medical college in Russia has 300+ professors with an excellent background in their specialisation

Orenburg State Medical University is accredited and recognised by several health and education bodies like the Ministry of Health of the Russian Federation, the World Health Organisation and the Medical Council of India. Often foreign students choose to study MBBS in Russia at OSMU because it has amazing facilities for every medical purpose whether it is for teaching, research work or even basic activities. Moreover, the university makes sure students are given intense practical training rather than theory. They have over 18 clinical bases in their in-house hospital. Annually, the OSMU welcomes students from various countries, thus, they have a diverse population within the campus.
